FEUILLET KAMIKA 2012\_FEB.

Round Kamika - Tuscan wall offered in 52 inches

# Kamika

Cool fun all summer

Why try and cram a whole summer of fun into one or two short weeks? A new KAMIKA Aquarian pool makes your summer fun last all summer. Afternoons for the kids. Cooling and relaxing after a long day of work. Pool parties and barbecues with friends on the weekends. It's like one endless summer of cool fun for the whole family.

## LASTING STYLE AND VALUE FOR YOUR BACKYARD

Our pool brings unique style and beauty to your yard with design-inspired walls. Khaki colored co-ordinated posts and top ledges add a graceful touch. This look complements any backyard and any taste. And this new Aquarian pool looks beautiful year after year, while it adds value to your lifestyle.

## DURABLE AQUARIAN POOLS LAST SUMMER AFTER SUMMER

Our pool stands up to whatever kids can dish out, while it handles any weather with ease. Our 7" resin ledge resists weather, water and wear. Durable 6" resin upright posts with unique interlocking resin caps and resin foot collars give the whole package strength, support and style. The Kamika frame consists entirely of all-resin components to resist corrosion and withstand the test of time.

## YEARS OF EASY MAINTENANCE

The oval pool brings the ultimate in style to your yard with a fun, flexible shape. Added engineering means long life, easy care and more useable yard space. Available with traditional angle bracing or a space-saving Narrow Buttress System (NBS). Your pool installs easily. Ledges, caps and posts fit snugly and securely. Skimmer and return outlets come pre-punched.

## DO IT YOURSELF INSTALLATION

If you're handy with a screwdriver, then you can easily assemble your own Aquarian pool. We've designed each pool to make installation problem-free—no multi-sized washers or nuts to worry about. Just one large screw type is used to assemble the entire pool and we provide easy-to-follow instructions.

NBS oval Kamika - Tuscan wall offered in 52 inches

Round Kamika - Tuscan wall offered in 52 inches
